## ABOUT US

# Rooted in tradition, made for the world.

GA Oils is a Dehradun-based manufacturer and exporter of essential oils, herbal extracts and personal-care products, serving clients across India, Europe and Oceania.

Alongside bulk oils, we develop finished skin-, hair- and personal-care products such as creams, serums and shampoos, made to your formulation and packed under your brand.

## Why GA Oils

Every product is made to be market-fit, eco-friendly and hygienic, at a fair price. Each batch is lab tested for purity, safety and quality before it leaves us.

### PRIVATE LABEL

Your brand on our oils. We fill, label and pack in amber glass in the size you choose.

### OUR CLAIMS

- Vegan
- Organic ingredients
- Paraben-free
- Silicone-free
- Mineral-oil free
- No harsh chemicals
- Eco-friendly
- Cruelty-free
