PRIVATE LABEL & BULK SHILAJIT SUPPLIER · INDIA

From the Himalayas *to your brand*

Giva Agro is a Shilajit exporter based in Dehradun, Uttarakhand, with its own office in the Himalayas for direct sourcing. Because we buy at source — no middlemen and no dilution — we control purity from rock to jar, and batches are tested by Eurofins. We supply Shilajit resin, drops, honey sticks and capsules to brands, distributors and online retailers across Europe, Australia, New Zealand and Canada.

Rock to jar

1 · Sourced at origin

Raw Shilajit collected in the Himalayas through our own local office.

2 · Purified

Traditionally purified and filtered to remove rock and plant matter.

3 · Tested

Batches tested by Eurofins for fulvic acid, heavy metals and microbiology.

4 · Packed for you

Filled into your jars, drops, sticks or capsules — or shipped in bulk.

Why brands choose Giva Agro

- ✓ **Direct from source** — our own Himalayan sourcing office; no middlemen, no dilution.
- ✓ **High fulvic content** — fulvic acid >75%, fulvic + humic acids >80%.*
- ✓ **Independent testing** — Eurofins batch reports; your own accredited lab is welcome too.
- ✓ **Clean label** — no added sugar, preservatives or artificial colours; non-GMO and gluten-free.
- ✓ **Full private label** — brand labels, engraved spoons, retail boxes and product leaflets.
- ✓ **EU export experience** — lab reports and export paperwork prepared for customs and food-authority checks.

**Shilajit Gold**

Premium resin line for high-end and gift retail, presented in luxury jars and boxes.

PREMIUM JARS · GIFT BOXES

**Shilajit Drops**

Liquid Shilajit for easy, measured daily use.

DROPPER BOTTLES · BULK LIQUID

**Shilajit Honey Sticks**

Shilajit blended with honey in single-serve sticks — a convenient on-the-go format.

SINGLE-SERVE STICKS · BOXED PACKS

**Shilajit Capsules**

Shilajit extract in vegan HPMC capsules — on its own or in custom combination blends.

CAPSULE BOTTLES

**Bulk resin & liquid**

For brands with their own filling line — sealed food-grade containers, cartoned and palletised.
